How to install FME Wallet App on iPhone

Steps as below:

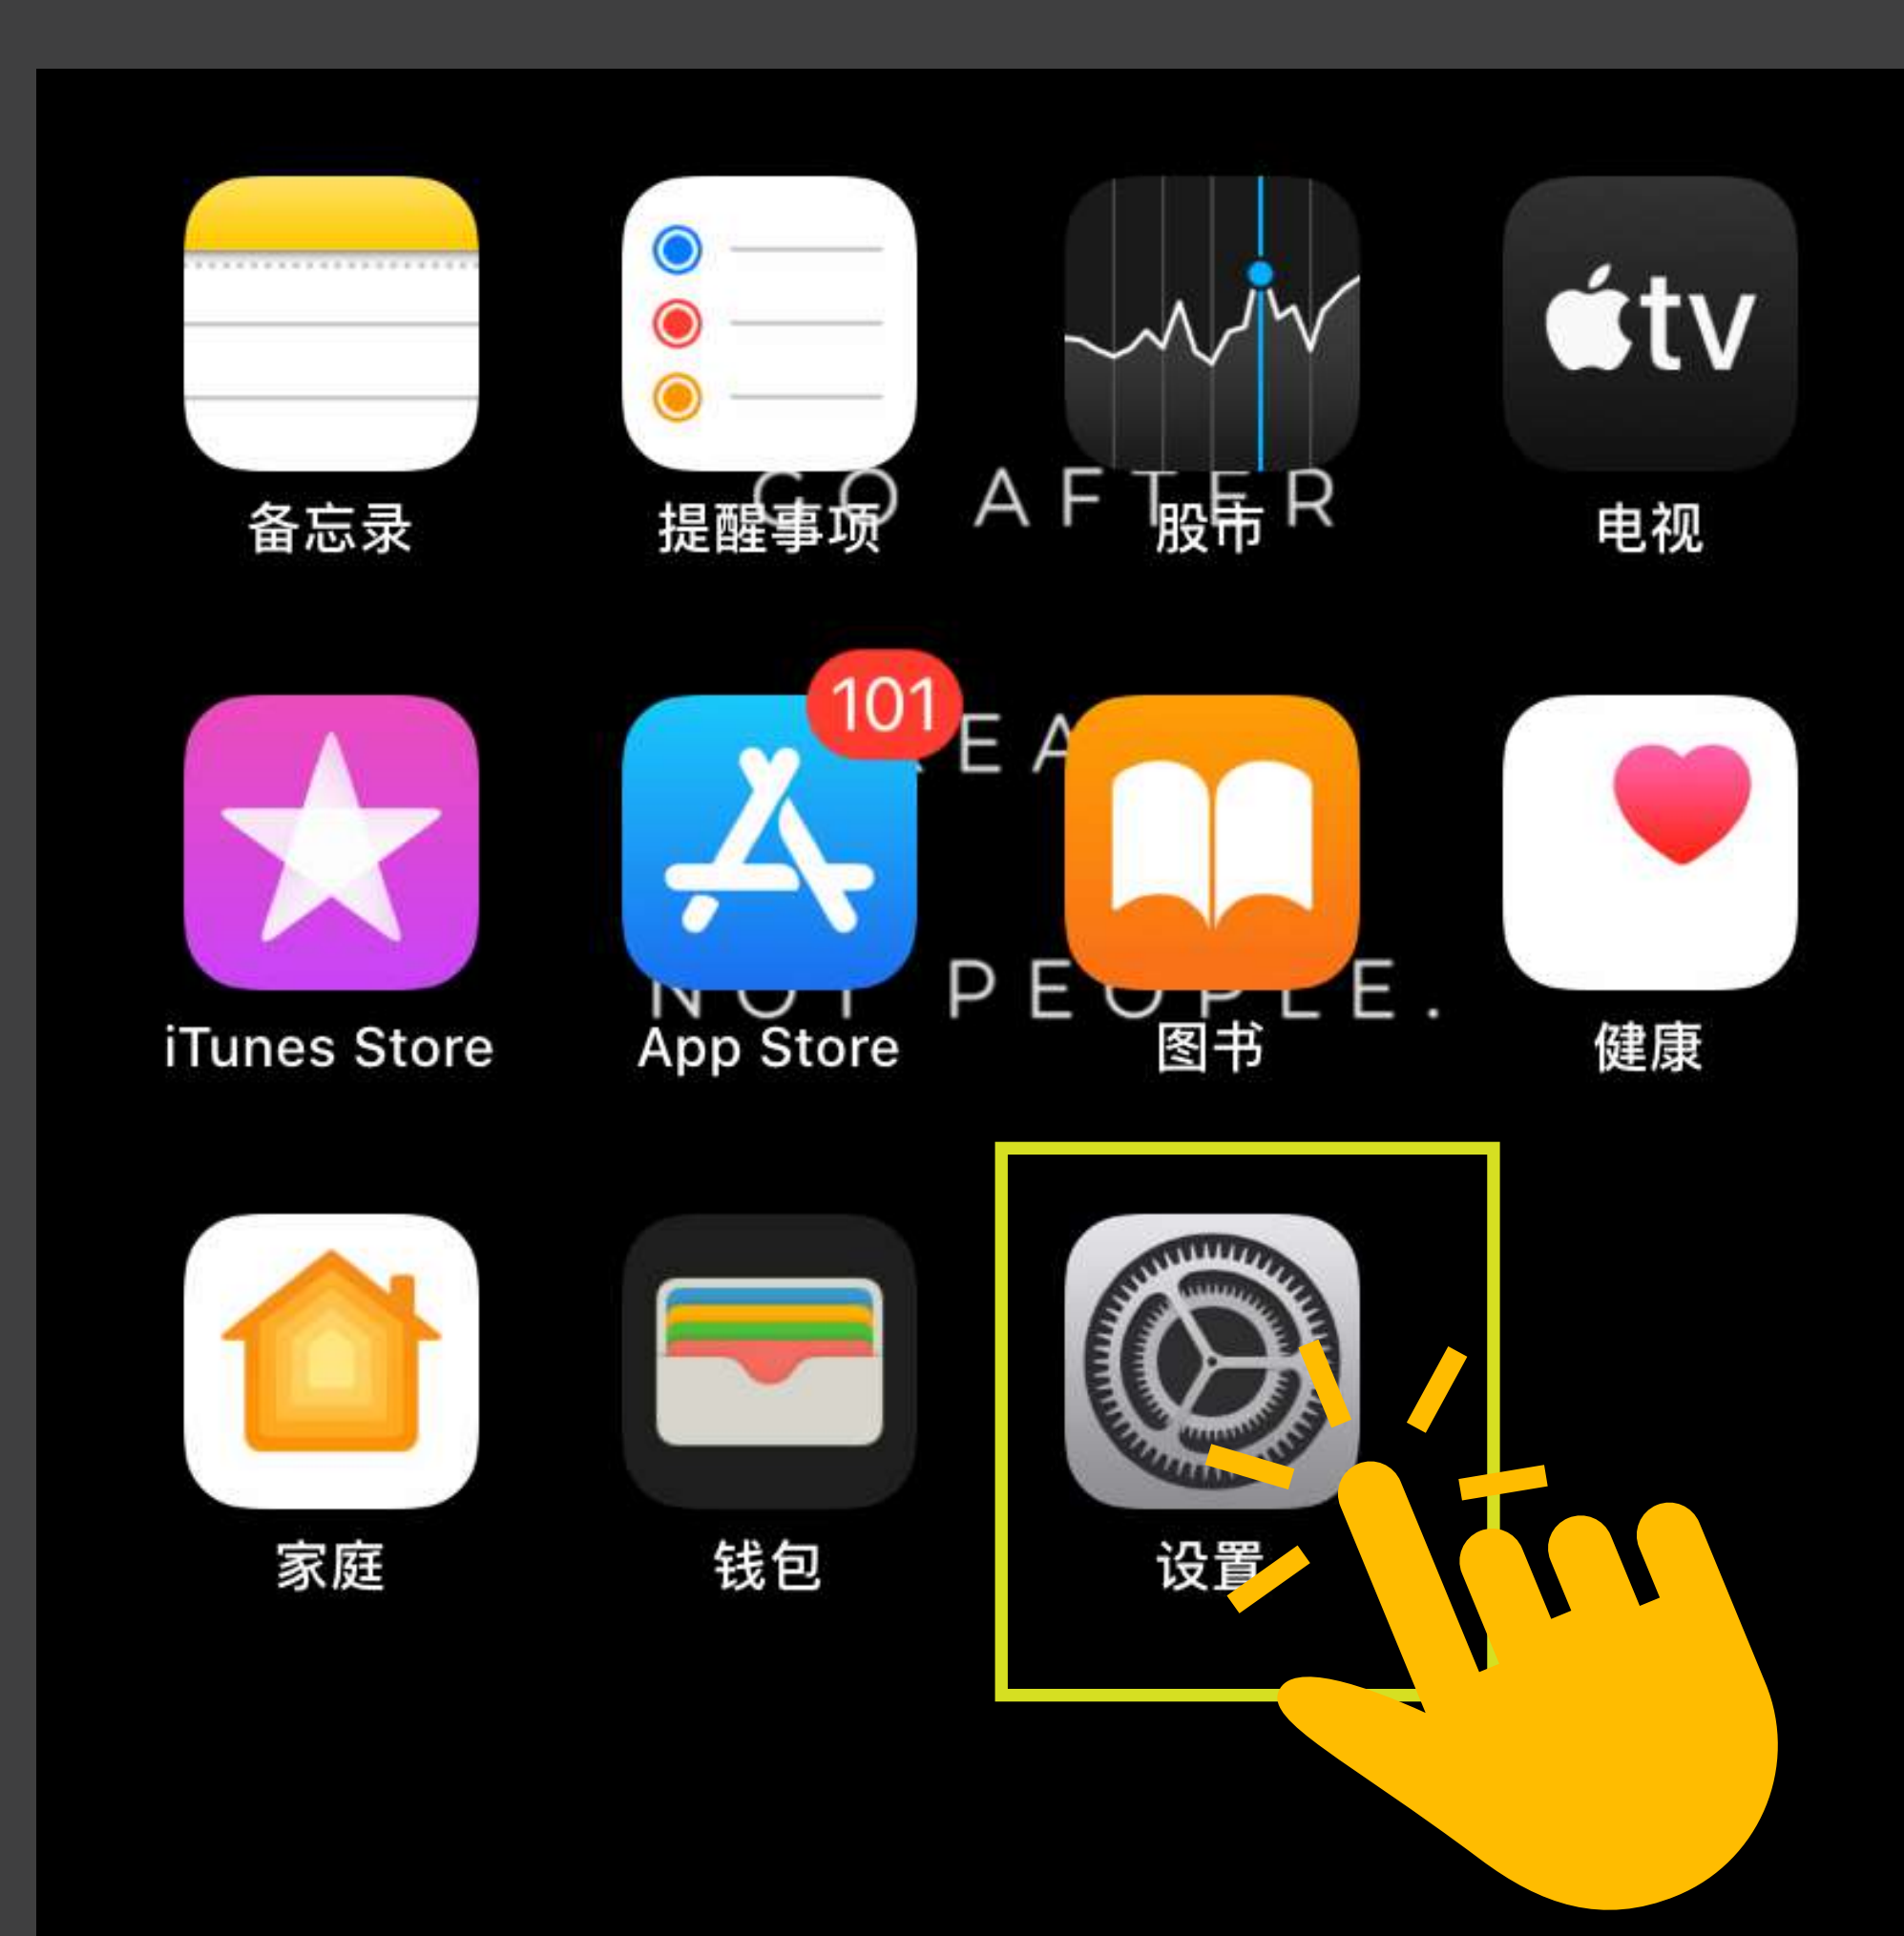

01

Download and Install App

02

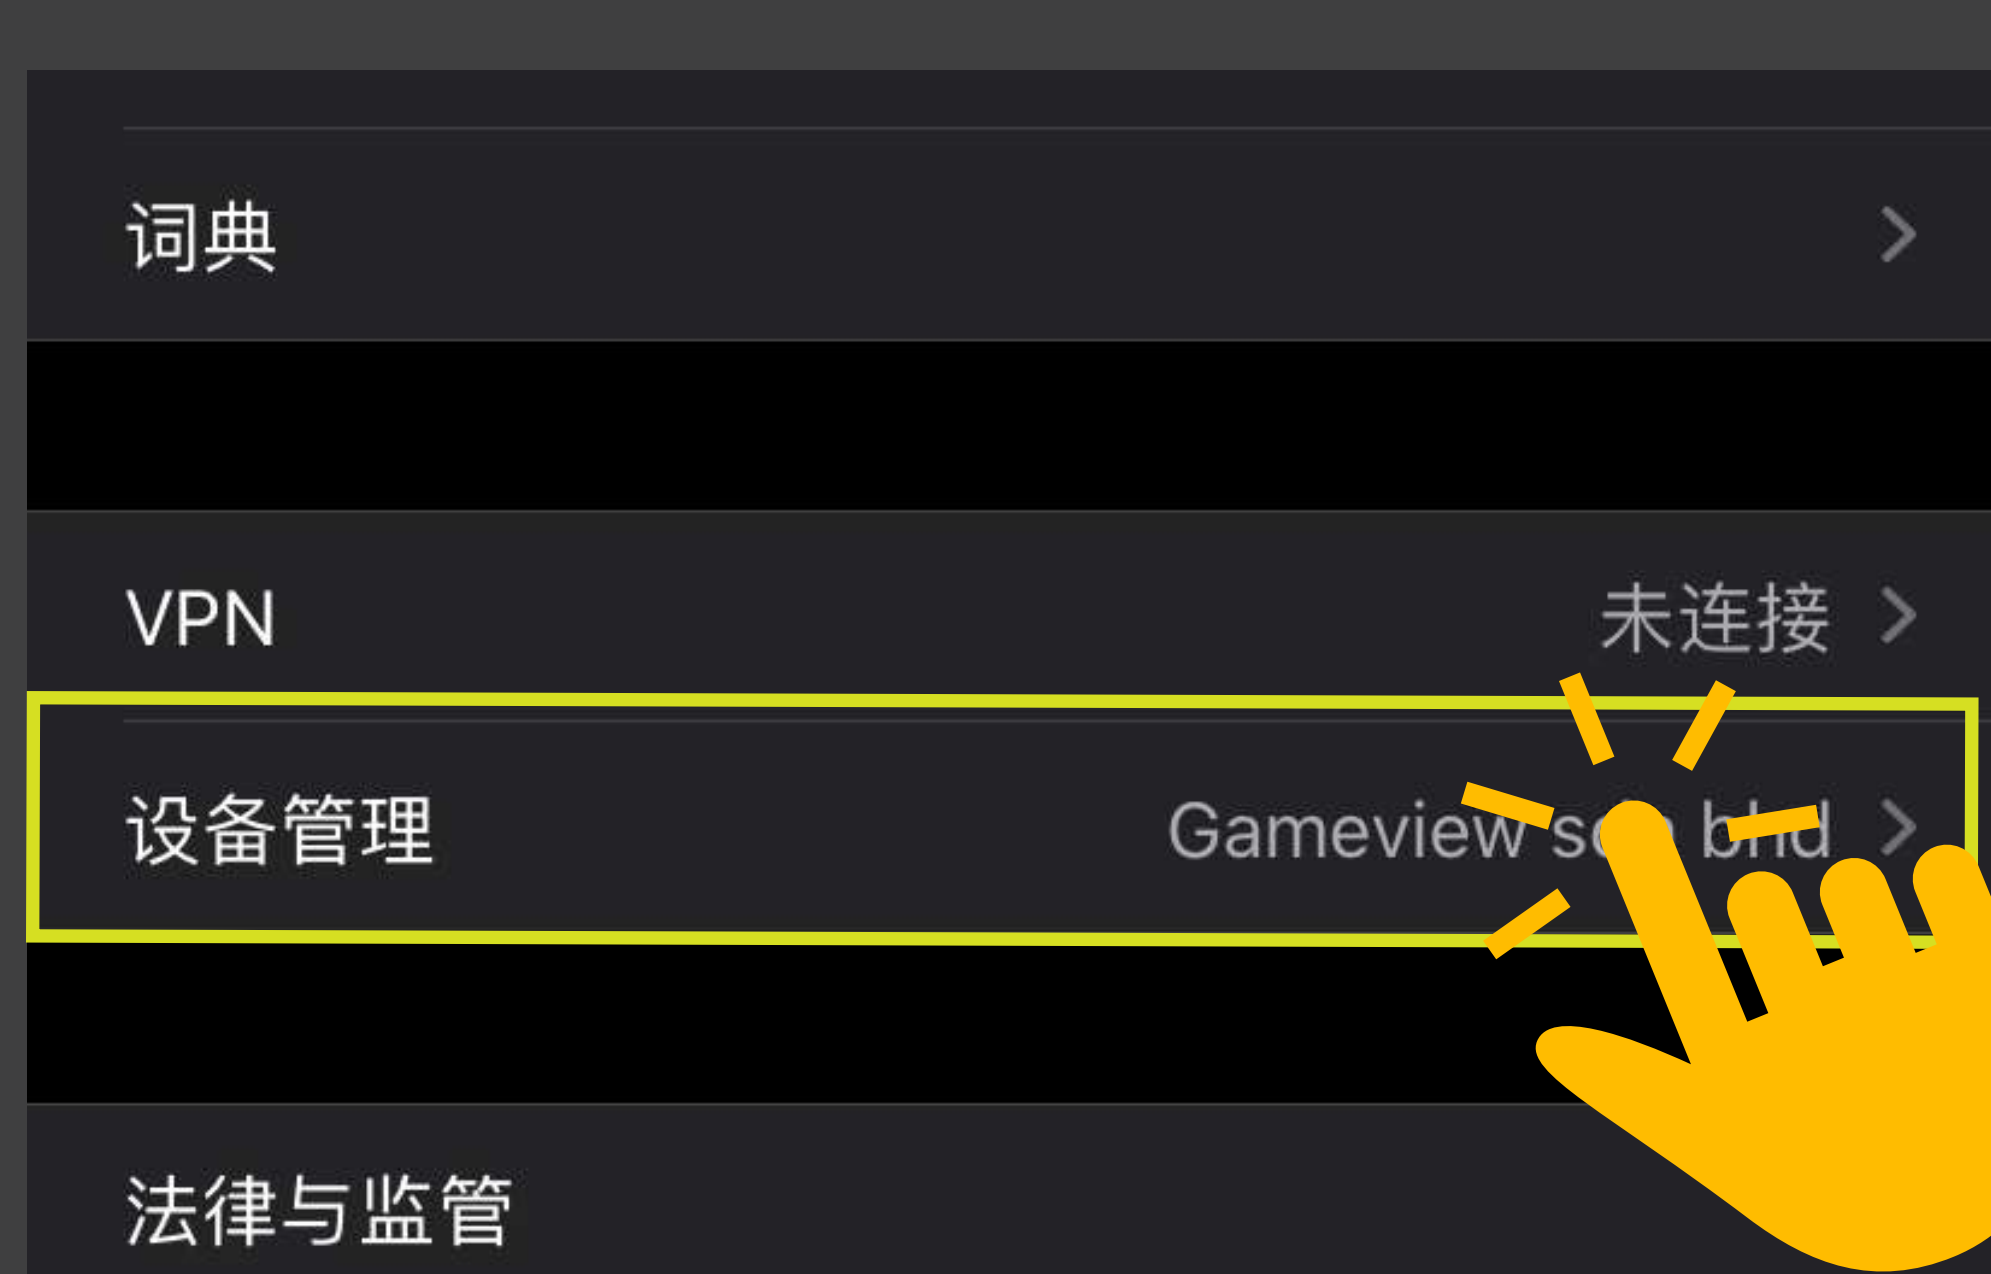

Go to 'Setting' on your iPhone

Go to 'Setting' on your iPhone, it is a grey Gear icon located on the main screen.

04

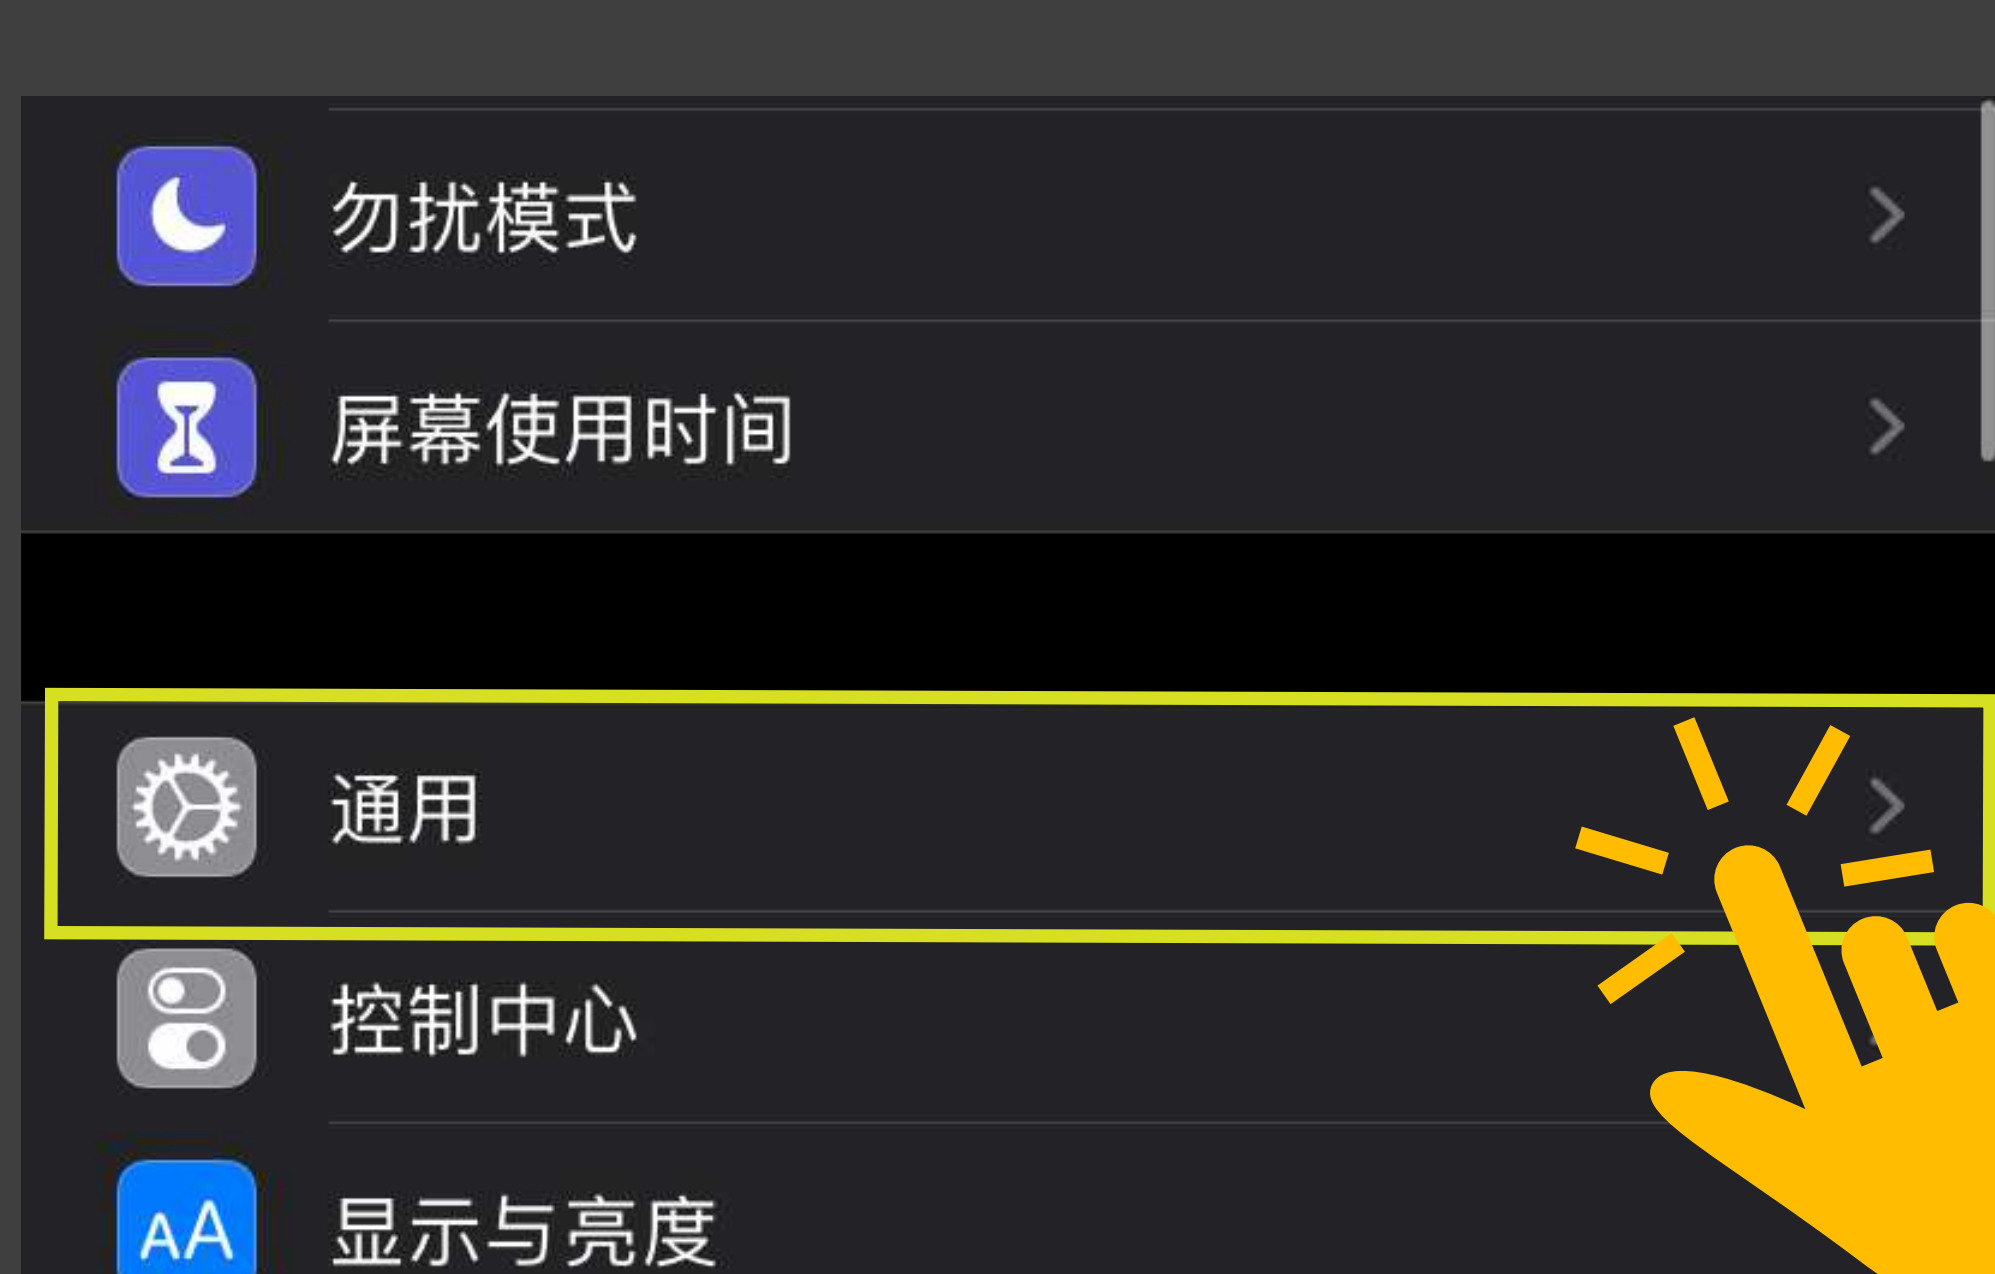

Click on 'Device Management'

If you yet to download FME Wallet iOS mobile app or yet to try launching the app, it will not appear in this menu.

03

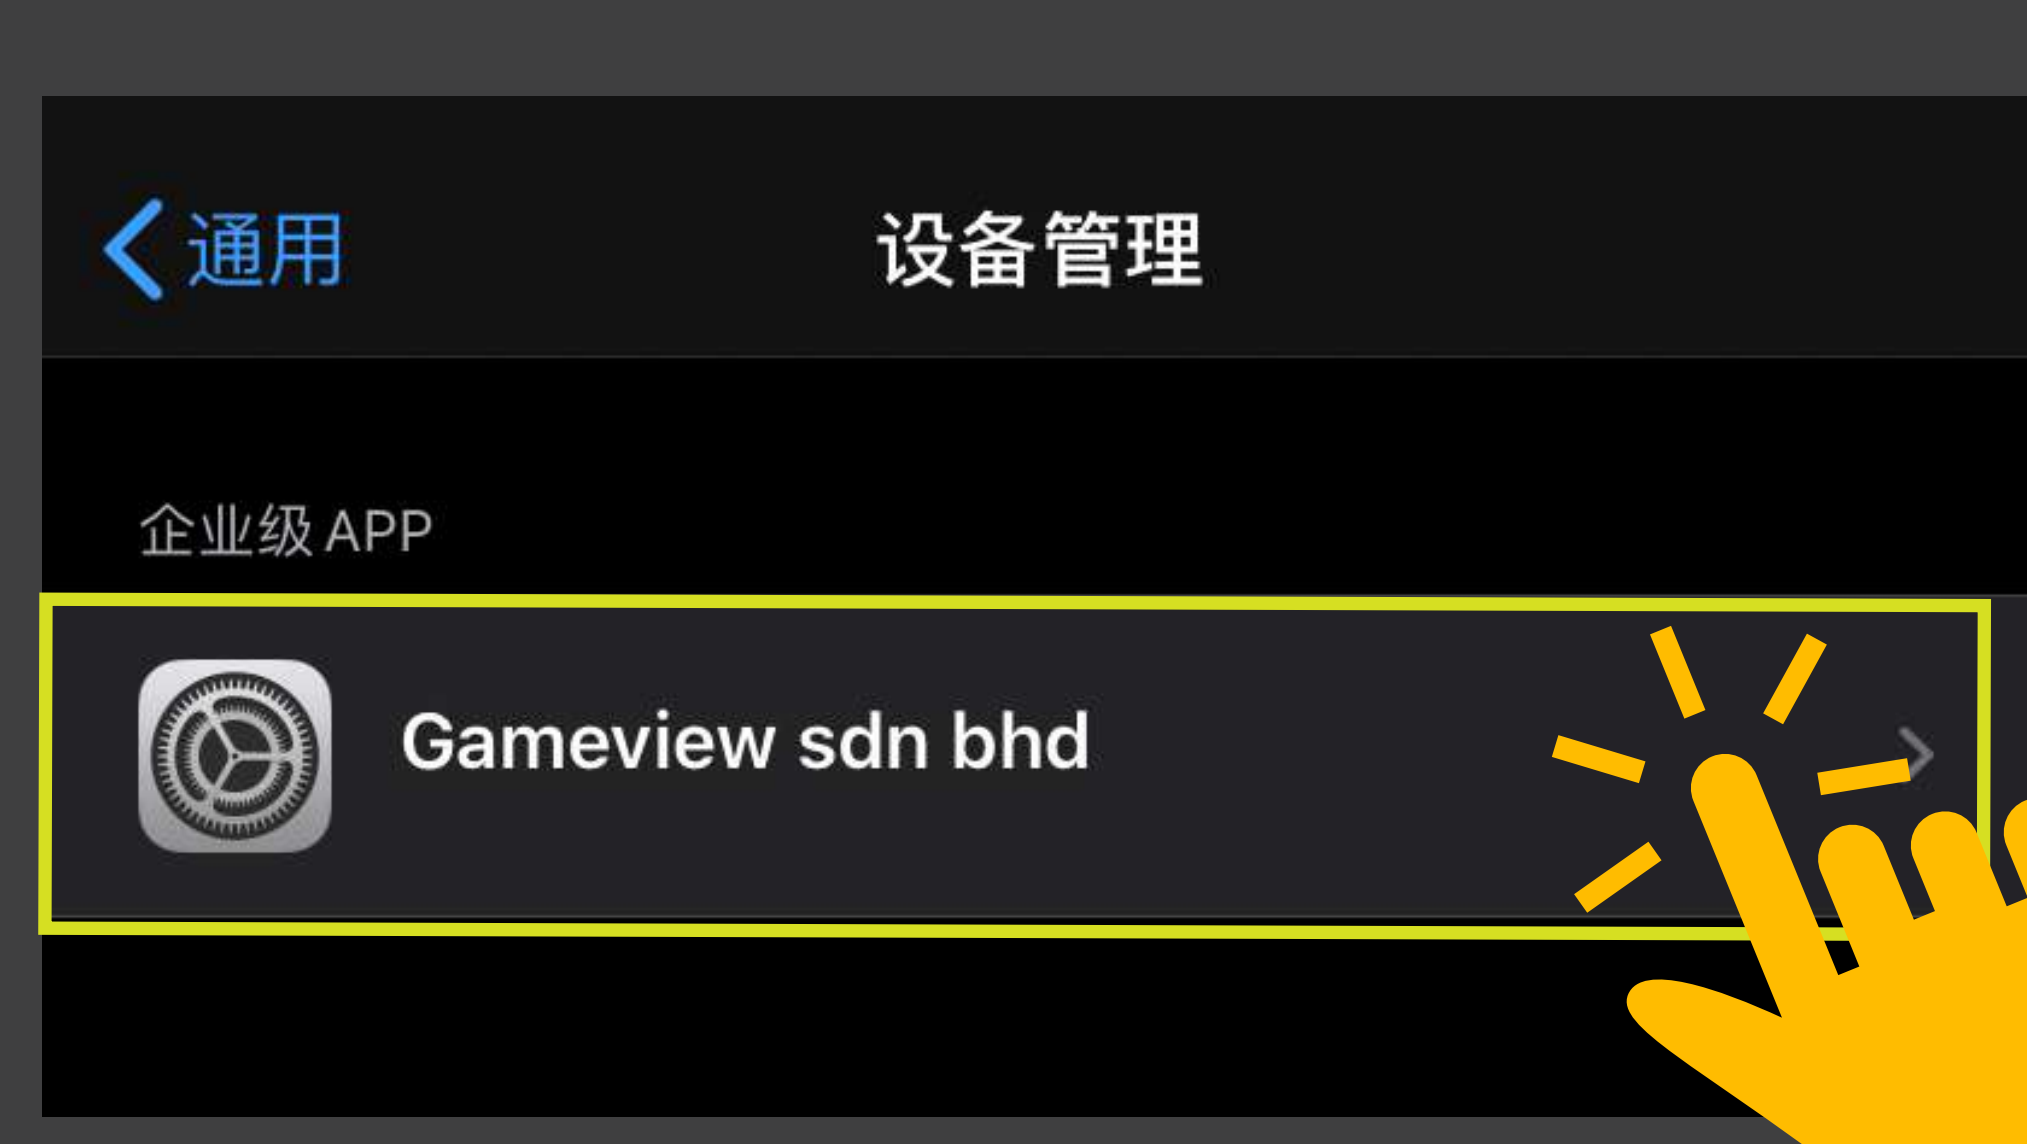

Click on 'General'

It is located at top part of the menu, beside the grey Gear icon.

05

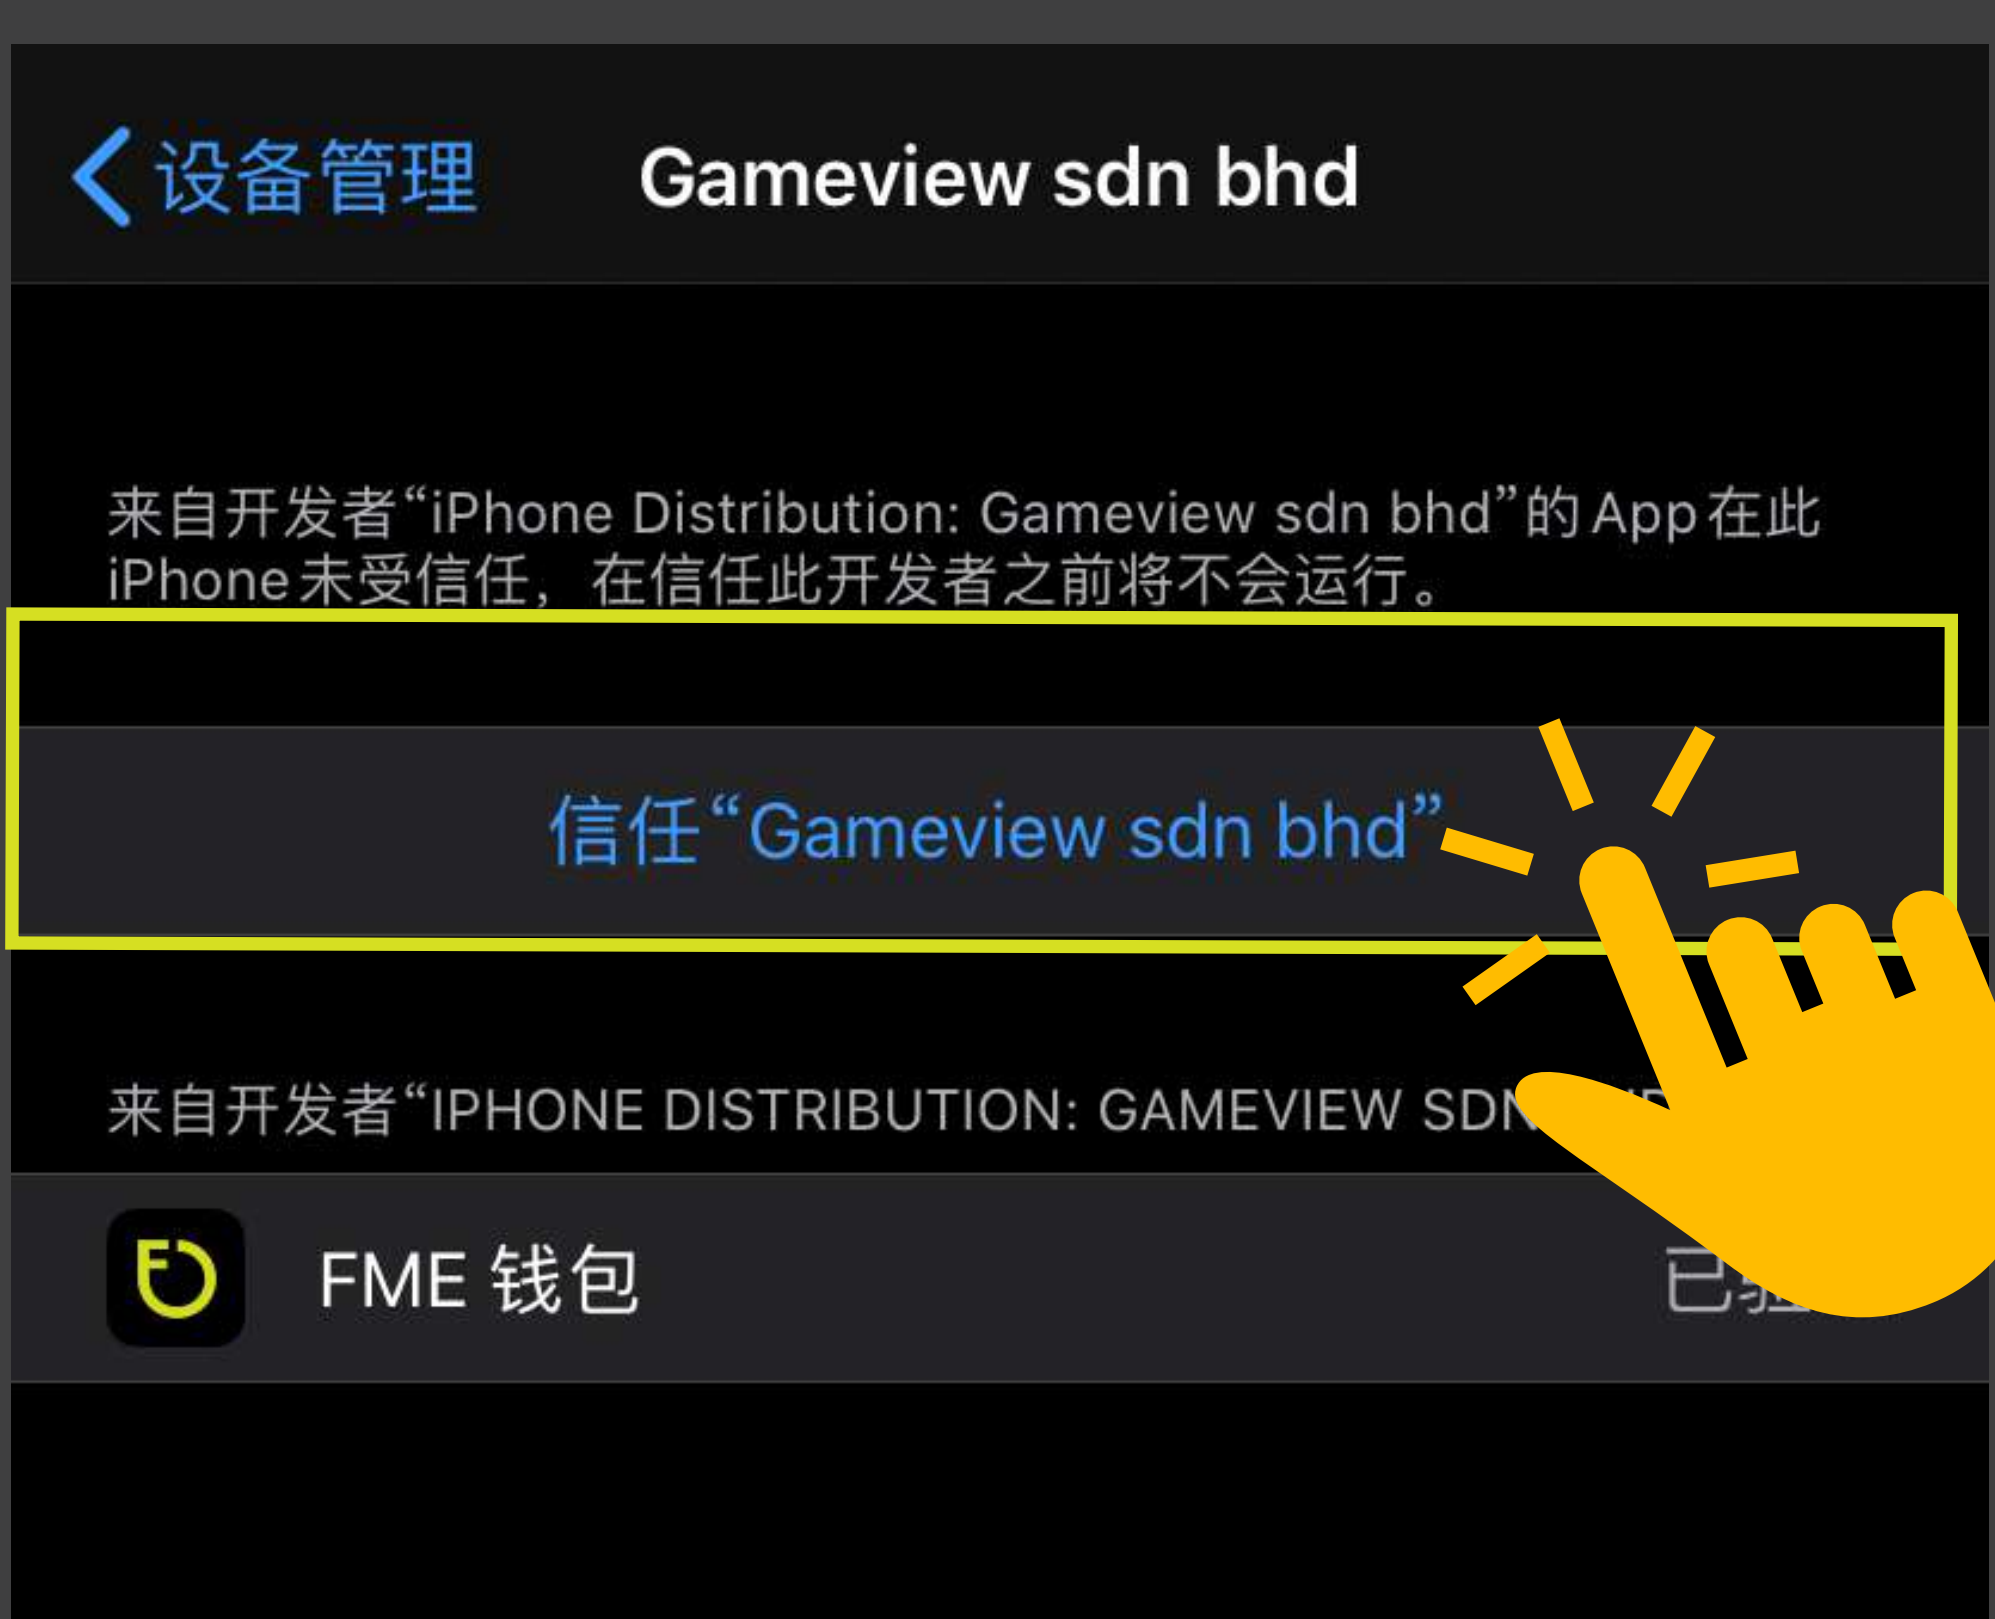

Click on 'Gameview Sdn Bhd'

You will see in the menu of 'Enterprise App'.

06

Click on 'Trust Gameview Sdn Bhd'

07

Click 'Trust'

This will authorize your iPhone to run FME Wallet application you downloaded.

The download is complete!
You can now open FME Wallet!
